

## CURRICULUM VITAE

**Status:**

**Name** Jamie Baxter  
**Rank** Associate Professor  
**Tenured** Yes  
**Full-time or adjunct status** full-time  
**Date** Feb 11, 2016

**Education:**

Degree	University	Department	Year
PhD	McMaster	Geography	1997
MA	McMaster	Geography	1992
BA(Hons)	Queen's	Geography	1989

**Employment History:**

Date	Rank & Position	Department	Institution
2003-present	Associate Professor	Geography	Western University
2003	Associate	Geography	University of Calgary
1997-2003	Assistant	Geography	University of Calgary

**Scholarly and Professional Activities:**

Period	Role	Description
2015	chair	Canadian Association of Geographers Awards Committee
2015	adjudicator	SSHRC Insight Development Grants Committee – 25+ files
2014-	councillor	Canadian Association of Geographers Executive Committee
2014-	member	Canadian Association of Geographers Awards Committee
1998-	referee	55 articles in 24 different journals
2000-	referee	4 NSF Grants; 1 AHFMR Career Award; 1 OMAFRA grant, 2 external tenure and promotion; 1 Manitoba Health Research Council; 4 SSHRC grants as external
2003-2004	adjudicator	SSHRC Standard Grants Committee – 120+ files
1999 -2001	chair	Geography of Health and Health Care Specialty Group of the Canadian Association of Geographers
1999 -2001	councillor	Medical Geography Specialty Group, Association of American Geographers

**Significant Administrative Duties:**

Period	Role	Description
<b>University</b>		
2013	member	Consult the Expert School of Graduate and Post-doctoral Studies Scholarship Writing Workshops
2013-2014	member	Non-Medical Research Ethics Board
2011-2012	member	University – Subcommittee on Program Review – Graduate (SUPR-G)
2010-2012	member	School of Graduate and Postdoctoral Studies - Graduate Education Council
2006-2007	member	Non-Medical Research Ethics Board
1997-2003	member	Environmental Science Program Design Committee (UofC)
1997-2003	member	Environmental Design Faculty Council (Social Science Rep) (UofC)
<b>Faculty</b>		
2011-2013	member	Psychology Promotion and Tenure Committee

2011-2013	member	Social Science Awards Committee
2008-2010	member	Graduate Chairs Committee
2000-2003	member	Faculty of Social Sciences Ethics Committee
2000-2001	member	Faculty of Social Science Executive Council (Departmental Rep) (UofC)
1999-2001	member	Student Appeals Committee - Faculty of Social Science (UofC)

#### Department

2010-2013	member	Geography Graduate Affairs
2008-2010	chair	Geography Graduate Affairs
2006-2008	member	Geography Graduate Affairs
2005-	member	Geography Ethics Application Screening Committee
2005-2006	member	Annual Performance Evaluation Committee
2005-2006	chair	Ad-hoc Geography Constitutional Review Committee
2004-2005	member	Geography Chair Selection
2003-2004	member	Geography Appointments
2003-2004	member	Geography Graduate Affairs

#### Supervision:

	Students Successfully graduated	Students in progress
Doctoral Thesis Supervisor	3	5
Master's Thesis Supervisor	7	3
Undergraduate (4 <sup>th</sup> Year) Thesis Supervisor	4	-
PhD Advisory Committees	16	11
Master's Advisory Committees	16	2
PhD Comprehensive Exam Committees	12	11
PhD Thesis Examiner	16	-
Master's Thesis Examiner	19	-

#### Titles and Topics of Theses and Projects Supervised and Completed:

##### PhD:

In Progress	Student	Title/Topic
2014-	Dominica Babicki	Comparison of energy transitions Vancouver and Marseilles
2014-	Meghan McMorris	First Nations and community sustainable energy development
2013-	Ashley Manning	Community-based food networks Newfoundland
2012-	Chad Walker	Wind Turbine Risks and Politics in Canada
2010-	Yvonne Rollins	Comparative Analysis of Waste Management Policy

##### Completed

2010	Leith Deacon	Discourses of Environmental Equity in Canada
2010	Rachel Hirsch	Residents' Perceptions of Urban Pesticide Use Risk
2002	David Stiller	Overcoming Benign Neglect: The Evolution of Federal and Montana Policies Toward Abandoned Hardrock Mines and the Environment.

##### MA:

##### In Progress

2014-	Jason Bayne	Impacts of incinerators on attitudes towards recycling/composting
-------	-------------	---

2014-	Samantha DaRosa Holmes	First Nations' traditional ecological knowledge in the ideas of environmental health and revitalization (co-supervisor)
2014-	Carrie Warring	Comparison of municipal decisions to implement composting programs or not

**Completed**

2012	Chad Walker	Perceptions of Wind Turbine Risks in Ontario
2009	Steve Larock	The Influence of Risk Controversy on Risk Perception
2008	Nilima Bhoi	Patterns of Environmental Equity in Canada
2005	Christine Brown	Urban Pesticide Use Risk Perception and Policy
2004	Susan vanRheenen	The Effectiveness of Brownfield a Committee for Hazard Risk Minimization
2001	Kristine Greenlaw	Understanding Views and Opinions of Risk: A Comparative Analysis of Fort Assinibione, Barrhead, and Kinuso Alberta
1999	Daniel Lee	Understanding Views of Risk: A Case Study of Swan Hills Alberta

**Undergrad:  
Completed**

2014	Yvonne Ho	Examining the potential impacts of waste-to-energy facilities on public attitudes toward waste diversion
2012	Danielle Ouellette	Community support for wind turbines in two Ontario communities: trust, justice, and the role of activists
2010	Rakhee Morzaria	A case-control comparison of wind turbine risk perceptions
2007	Matthew Armstrong	Perceptions of waste and recycling in Tuktoyaktuk

**University PhD Examiner**

2014	Matthew Wong	Entrepreneurial Culture: Developing a Theoretical Construct and its Measurement
2013	R. Ryan Raffety	Co-Ownership and Environmental Performance

**External PhD Examiner**

2013	Stewart Fast	Public Opinion and Communicative Action Around Renewable Energy Projects (U of Ottawa)
2012	Christina Hoicka	Understanding pro-environmental behaviour as process: Assessing the importance of program structure and advice giving in a residential home energy evaluation program (U of Waterloo)
2008	Elise Ho	Children's Ideas About Climate Change (U of Toronto)
2008	Tuan Nguyen	Concerns, Opposition and Community Activism against Landfills in Vietnam (U of Toronto)

**Graduate Courses Taught:**

1998-	Qualitative Methods in Social Geography	Geog 511/611, 9108
2012	Risk Perception of Renewable Energy Projects	Geog 9300
2012	Research Design	Geog 9099

2011, 2015	Advanced Topics: Geographies of Waste	Geog 9300
2009	Environment and Health	Geog 9107
2004	Risk and Society	Geog 551b
2002	Geography of Health and Health Care (UofC)	Geog 797.09
1999-2000, 2002	Qualitative Methods in Social Geography (UofC)	Geog 797.08
2001	The Study of Risk, and Public Participation in Brownfield Remediation (UofC)	Geog 797.12
2000	The Study of Environmental Risk: Theory and Methods (UofC)	Geog 797.14

**Research Funding:**

<b>Start Date</b>	<b>End Date</b>	<b>PI</b>	<b>CIs</b>	<b>Granting Agency</b>	<b>Grant Title</b>	<b>Total Amount</b>
2016	2019	K. Calvert	M. Adams J. Baxter M. Winfield M. Jackard	SSHRC Partnership Development (DECISION PENDING)	Governing community energy across scales: from planning to implementation	200,000 (12K to Western)
2016	2021	J. Baxter	M. Adams G. Ellis C. Richmond R. Smith-Fullarton	SSHRC Insight (DECISION PENDING)	The meaning of community-based wind energy: Learning from success	270,300
2014	2016	J. Baxter		Metcalf Foundation	Toolkits for wind turbine facility siting in rural Ontario: Negotiating benefits and minimizing conflict	36 800
2013	2014	J. Baxter		Faculty Research Development Fund	Don Quixote Study	5000
2013	2016	J. Baxter	V. Maclaren	Social Science and Humanities Research Council of Canada (SSHRC) Insight Development	Realizing Waste's Resource Potential	57 000
2011	2012	J. Baxter	Y. Rollins	UWO Academic Development Fund	A Preliminary Investigation of Waste Policy and Practice in Two Ontario Municipalities	9 000
2011	2012	J. Baxter	M. Buzzelli I. Luginaah C. Walker	UWO - SSHRC 4a <i>Reapplication Assistance</i>	The Don Quixote Study: Wind turbines, risk perception and energy policy in Ontario	5 500
2011	2012	C. Richmond	J. Baxter J. Bend I. Cornelius	Indigenous Health Research Development	First Nations Perceptions of the Health Impacts of Living	25 000

2011	2014	I. Luginaah	K. Fisher I. Luginaah J. Baxter	Program SSHRC Standard Grant	near a Solid Waste Facility Windsor Bridge Study	60 000
2010	2011	J. Baxter	J. Parr M. Buzzelli I. Luginaah	UWO – SSHRC 4a <i>Reapplication Assistance</i>	The Don Quixote Study: Wind turbines, risk perception and energy policy in Ontario	5 500
2009	2012	E. Creighton	J. Baxter J. Masuda S. Elliott	SSHRC Standard Grant	Negotiating pre-natal health risks across socioeconomic, geographic and environmental contexts	100 000
2006	2007	S. Wakefield	J. Baxter M. Beinefield D. Cole L. Vanderlinden	SSHRC Targeted Grant	Multicultural Yard Health Environment and Pesticides Project	40 000
2006	2010	J. Baxter	Michael Buzzelli Jason Gilliland Isaac Luginaah	SSHRC Standard Research Grant	Environmental Inequity in Canada	112 000
2005	2006	J. Baxter	Tony Weis	UWO Internal International Research Award	Water Politics in Mumbai India	6 000
2002	2005	J. Baxter		SSHRC Standard Research Grant	Perceptions of Urban Pesticide Use Risk in Calgary and Halifax	80 300
2001		J. Baxter		University of Calgary SSHRC Development Grant	Perceptions of Urban Pesticide Use Risk in Calgary and Halifax	1 700
1998		J. Baxter		SSHRC Standard Grant	The Reasoning and Meaning of Risk in "Smalltown" Alberta	61 000
1998		J. Baxter		University of Calgary Research Grant	The Reasoning and Meaning of Risk in "Smalltown" Alberta	10 000
<b>Total</b>						614 800 (897,100)

- 51 2013 Baxter, J., Walker, C. and Ouellette, D. Living with Wind Turbines in Ontario: Health, Conflict and Policy, **International Medical Geography Symposium**, Lansing Michigan
- 50 2013 invited Baxter, J. Environment and health policy and the public: The geography of urban pesticide use reduction, Community Health Sciences/Public Health Institute Seminar Series, **University of Calgary**
- 49 2013 invited Baxter, J. Walker, C. Morzaria, R., Ouellette, D. and Hirsch, R. (2013) Living with wind turbines in Ontario: health, conflict and policy, Geography Speaker Series, **University of Guelph**
- 48 2012 Baxter, J. Morzaria, R., Ouellette, D. and Hirsch, R. Support for wind turbines in the context of Ontario's Green Energy Act, **Ontario Network for Sustainable Energy Policy Workshop**, Niagara on the Lake
- 47 2012 Walker, C. and Baxter, J. What smell?: Socio-political Factors and Ontario's wind energy development, **Canadian Association of**

- Geographers Annual Meeting**, Waterloo
- 46 2012 Morzaria, R., Baxter, J. and Hirsch, R. Wind turbine risk perception in Ontario, **Association of American Geographers Annual Meeting**, New York
- 45 2011 Crighton, E. Masuda, J., Brown, C., Ursitti, F, Baxter, J., Lemyre, L and Thompson, C. A Risk to Other People's Kids: Environment and Health Risk Perceptions among New Mothers, **Canadian Association of Geographers Annual Meeting**, Calgary, AB
- 44 2011 Mkandawire P., Luginaah, I. and Baxter, J. Orphan Status and Sexual Risk-Taking among Adolescents in Northern Malawi, **Canadian Association of Geographers Annual Meeting**, Calgary, AB
- 43 2010 Larock, S. and Baxter, J. Risk in Context: Landfill expansion and "fiduciary equity" as predictors of risk perception, **Association of American Geographers Annual Meeting** Washington DC
- 42 2009 Baxter, J. Bhoj, N., Gilliland, J. Buzzelli, M. Luginaah, I. Environmental inequity in Canada using NPRI pollution exposure weighted by toxicity and carcinogenicity, **International Medical Geography Symposium**, Hamilton
- 41 2009 Deacon, L. and Baxter, J. Discourses of risk, health and justice in an African Canadian Community, **International Medical Geography Symposium**, Hamilton
- 40 2008 invited Baxter, J. Environmental Justice in Canada: Approaches to Empirical Research, Earth and Atmospheric Sciences Speaker Series, **University of Alberta**
- 39 2008 Baxter Applying principles of justice and equity to evaluate the "success" of voluntary siting for a hazardous waste site, **Association of American Geographers Annual Meeting** Boston
- 38 2008 Deacon, L. and Baxter, J. Environmental Inequity: A discourse analysis of Canada's mainstream and alternative news media **Association of American Geographers Annual Meeting** Boston
- 37 2007 Bienefeld, M. Vanderlinden L. Wakefield S. Baxter, J. Jermyn, L. Cole, D. Gibson-Wood, H. Chiu, C. Mee, C. and Whate R. Communicating risk and protecting public health in diverse communities, **Ontario Public Health Association Meeting**, November
- 36 2007 invited Baxter, J. Reassessing the voluntary siting process for a hazardous waste facility in Alberta, Canada 15 years later, **International Conference on the Siting of Locally Unwanted Facilities: Challenges and Issues**, Hong Kong, December
- 35 2007 invited Baxter, J. Environment Health and Social Equity, **Environment Health and Social Equity Workshop**, McMaster Institutes of Environment and Health Hamilton
- 34 2007 Deacon, L. and Baxter J. Environmental Equity Discourses in Canada, **Association of American Geographers Annual Meeting**, San

- Francisco, April
- 33 2007 Hirsch R. and Baxter J. Municipal pesticide policy change, science knowledge, and advocacy coalitions in Calgary and Halifax, **Association of American Geographers Annual Meeting**, San Francisco, April
- 32 2006 invited Baxter, J. Explaining Variability of Hazard “Concern” near the Hazardous Waste Facility at Swan Hills, Alberta, Speaker Series School of Geography and Geology at **McMaster University**, Nov 22
- 31 2006 invited Baxter, J. Community Perception of Risk Associated with Environmental Health Hazards, **Perth District Health Unit Research Day, Perth District Health Unity at Stratford**: Nov 10
- 30 2006 Baxter J. Explaining Variability of Hazard “Concern” near the Hazardous Waste Facility at Swan Hills, Alberta CA, **Association of American Geographers Annual Meeting**, Chicago, March
- 29 2005 invited plenary Baxter, J. Brown, C. and Hirsch, R. Social Determinants of Pesticide By-law Formation and Preference in Calgary and Halifax, **Informed Decision-making on Cosmetic Pesticide Use Conference**, Ottawa, September
- 28 2005 Baxter J., and Hirsch R. Urban Pesticide Use Policy, Risk Perception and Neighbourhood Discontent: A Calgary-Halifax Comparison, **Association of Geographers Annual Meeting**, Denver, April
- 27 2005 Baxter, J. Understanding “Low Concern” Near the Hazardous Waste Treatment Facility at Swan Hills AB, **Waste: The Social Context**, Edmonton: May 11-14
- 26 2004 Baxter J., Brown C. and Hirsch R. Urban Pesticide Use Policy, Institute of Environment and Health Seminar Series, **McMaster University**, November
- 25 2004 Baxter, J. and Brown, C. Two different policy approaches to urban pesticide reduction, **Association of Geographers Annual Meeting**, Philadelphia, March
- 24 2002 Baxter, J. and Greenlaw K. Comparing Views on Risk in Four Communities Surrounding the Alberta Special Waste Treatment Facility, **Canadian Association of Geographers Annual Meeting**, May/June
- 23 2001 Baxter, J. (organizer/panelist), Chiotti, Q., Dyck I., Foggin P., Hayes M. 25 years of health geography in Canada: Retrospect and prospect, **Canadian Association of Geographers Annual Meeting**, June
- 22 2001 invited Baxter, J. Can Toxic Waste Dissolve a Community The Cases of Caledon ON and Ryley AB, Department Seminar Series - Geography, **University of Calgary**, March
- 21 2001 Baxter, J. Environmental Conflict: The Cases of Caledon ON and Ryley AB **Association of American Geographers Annual Meeting**, New York, March
- 20 2000 invited Baxter, J. Computer assisted qualitative data analysis software

- (CAQDAS) for health and place research, **SSHRC Research Development Initiative on Methods for Studying Health and Place**, Aug
- 19 2000 Baxter, J. Methods for health and place research: Experiences from a qualitative research practitioner, **Eighth Annual International Medical Geography Symposium**, Montreal, July
- 18 2000 Baxter, J. The Construction of a Frustrating Place: A Case Study of Community Environmental Conflict, **Canadian Association of Geographers Annual Meeting**, St. Catherines, June
- 17 2000 Baxter, J. A tale of two communities: Waste facilities and the risk society, **Association of American Geographers Annual Meeting**, Pittsburgh, March, 2000
- 16 1999 Baxter, J., Eyles, J. and Elliott, S.J. Discord among noxious facility siting principles: A case study of the principles of trust, equity and community participation, **Canadian Association of Geographers Annual Meeting**, Lethbridge Alberta, May-June
- 15 1999 Baxter, J. and Lee, D. Welcoming hazardous waste?: Preserving ways of life in Swan Hills and Ryley, Alberta, **Association of American Geographers Annual Meeting**, Honolulu Hawaii, March
- 14 1998 poster Baxter, J. The utility of in-depth interviews for studying the meaning of environmental risk, **Association of American Geographers Annual Meeting**, Boston, March
- 13 1998 invited plenary Baxter, J. Recognizing and practicing good qualitative research design and analysis, Workshop on Qualitative Analysis in Process Evaluation for Heart Health Promotion, Plenary Paper, Montreal: **Health Canada**, February
- 12 1998 Baxter, J, and Eyles, J. (1998) When siting principles conflict: A case study of Peel Ontario, **Society for Risk Analysis**, Phoenix, December
- 11 1998 invited Baxter, J. "It's an unnecessary risk to take": A case study of the meaning of environmental risk and uncertainty involving a landfill, Environmental Risk Management Program Seminar Series, **University of Alberta**, December
- 10 1997 invited Baxter, J. Understanding environmental risk: A case study of Caledon, Ontario, Ecology Seminar Series, **University of Calgary**, October
- 9 1997 Baxter, J. and Eyles, J. Living in a risk society? : The utility of in-depth interviews for studying the meaning of risk, **Association of American Geographers Annual Meeting**, Fort Worth, Tx., April
- 8 1996 Baxter, J. and Eyles, J. Exploring the language and meaning of risk and uncertainty in an environmentally sensitized community: Preliminary interpretations, **Association of American Geographers Annual Meeting**, Charlotte, N.C., April
- 7 1996 Baxter, J. and Eyles, J. Understanding lay and expert assessments of risk in the siting process for a landfill, **Society for Risk Analysis Annual**

- Meeting, New Orleans, December
- 6 1996 Baxter, J. and Eyles, J. "Something happened": Lay and expert assessments of risk in the siting process for a landfill, **Seventh Annual International Medical Geography Symposium**, Portsmouth, U.K., July-August
- 5 1995 Baxter, J. and Eyles, J., Principles versus Practice: Evaluating quantitative and qualitative research in medical geography using the same set of criteria, **Association of American Geographers Annual Meeting**, Chicago, March
- 4 1994 Baxter, J. Evaluating quantitative and qualitative research in medical geography using the same set of criteria, **Sixth Annual International Medical Geography Symposium**, July
- 3 1993 Baxter, J., Using qualitative and quantitative methods in a study of community reaction to the impending Milton landfill, **Canadian Association of Geographers Annual Meeting**, Ottawa, Ontario, May-June
- 2 1993 invited Willms, D. and Baxter J. (co-presenters) Behavioural determinants of HIV transmission in Ethnocultural Communities in Canada: Phase 2 methods (rapid anthropological assessments within a participatory framework) and preliminary findings, **Rounds for Clinical Epidemiology and Biostatistics**, McMaster University, Hamilton, April
- 1 1992 Baxter, J., Experiencing environmental contamination near waste facilities: The use of a qualitative research design, **Canadian Association of Geographers Annual Meeting**, Vancouver, British Columbia, May

#### Workshops:

- | # | Role                   | Details   |
|---|------------------------|---|
| 3 | organizer<br>presenter | Baxter, J., Meadows, L. (organizers) and Richards, L. (presenters) Using NUD*IST4 and Nvivo Qualitative Data Analysis Software, <b>Annual Meeting of the Association of American Geographers</b> , Pittsburgh, March 2000.                      |
| 2 | organizer<br>presenter | Wakefield, S. and Baxter, J. (organizers and presenters) Using NUD*IST for qualitative data analysis, <b>Workshop on Qualitative Analysis in Process Evaluation for Heart Health Promotion</b> , Montreal: Health Canada, February 25-27, 1998. |
| 1 | organizer<br>presenter | Baxter, J., Litva, A., and James, J. (organizers and presenters) Qualitative analysis: Coding and computers, <b>Seventh Annual International Medical Geography Symposium</b> , Portsmouth, U.K., July 29-August 2, 1996.                        |
