

GEOG 3465F: Urban Economic Development and Policy

Course Outline: Section 001 – Fall 2018

1. Course Information

1.1. Classroom Location:

Lecture: Thursdays 11:30am-1:20pm, SSC 3028

Tutorial: Thursdays 1:30-2:20pm, SSC 3028

1.2. Contact Information:

Instructor: Dr. Godwin Arku

Office: SSC 2427

Office Hours: Thursdays 2:30-4:30pm or by appointment

Email: within OWL

Teaching Assistant: Merlin Chatwin

Office: SSC 2436

Office Hours: Tuesdays, 10am-12pm

2. Overview

2.1. Course Overview

The promotion of economic development is an important item on the policy agendas of regions and communities around the world. Practitioners are adopting a wide range of policies aimed at promoting economic growth and enhancing the economic and fiscal health of their communities. This course takes an interdisciplinary approach to examine economic development policies—ranging from “traditional” to more recent “innovative” practices. Topics include concepts and theories of urban economic development, analytical techniques for describing and evaluating urban economies, development strategies and tools, technology policies, and place-based economic development strategies.

Prerequisite(s): Third or fourth year status; at least one of Geography 1400F/G, 2210A/B, 2220A/B, 2420A/B, 2460F/G.

(Prerequisite checking is the student's responsibility)

2.2. Senate Regulations

Senate Regulations state, “unless you have either the requisites for this course or written special permission from your Dean to enroll in it, you will be removed from this course and it will be deleted from your record. This decision may not be appealed. You will receive no adjustment to your fees in the event that you are dropped from a course for failing to have the necessary prerequisites.”

3. Course Format

The course will combine formal lectures, seminar presentations, and class discussions.

4. Course Readings

Selected textbooks will be used throughout the course although students will not be required to purchase them. Relevant articles on various topics will be posted on the course's webpage. In addition, relevant published reports by various levels of government will be made available to students for consultation.

5. Course Evaluation

Course assessments and grades for the course are as follows:

Evaluation Components	Percentage of Course Grade	Assignment Schedule
Assignment #1	25%	October 18
Short Examination	25%	November 8
Group Project Presentation	5%	December 6
Group Project Report	35%	December 6
Summary of Assigned Articles	5%	TBA
Class Participation	5%	

Students are responsible for material covered in the lectures as well as the assigned chapters/sections in the text.

6. Course Policy Statements

6.1. Participation is Essential in this Course

Attendance of the lectures and tutorials is not optional. Your participation mark of 10% is based on regular attendance, active contributions in lectures and tutorials, and individual presentation of reading materials and information from local news media. Students are expected to attend all lectures and tutorials and are strongly encouraged to read relevant articles/chapters before coming to these classes. For each tutorial session, selected students will be tasked to summarize the readings for the day and also lead the discussion of these materials. The teaching assistant will keep track of attendance at all lectures and tutorials.

6.2. Missing Classes

Unless permission is granted students cannot absent themselves from GUEST LECTURES. Failure to attend guest lectures will attract a heavy penalty, mostly likely zero score for class participation mark. For UWO Policy on Accommodation for Medical Illness and a downloadable SMC see: http://www.uwo.ca/univsec/handbook/appeals/accommodation_medical.pdf Downloadable Student Medical Certificate (SMC): <https://studentservices.uwo.ca> under the Medical Documentation heading Students seeking academic accommodation on medical grounds for any missed tests, exams, participation components and/or assignments worth 10% or more of their final grade must apply to the Academic Counselling office of their home Faculty and provide documentation. Academic accommodation cannot be granted by the instructor or department.

6.3. Late Submissions

One percent point (1%) per weekday (weekends count as one weekday) will be deducted from late assignments. Assignments will not be accepted if handed in more than one week after the due date.

6.4. Emails

All emails should be sent within OWL. Please **DO NOT** use my regular UWO email address.

6.5. Course Web Page (OWL)

During the term, information pertaining to lectures, assignments and other course-related matters will be posted on the course web page (OWL). Please note that copies of my lecture overheads/ppt presentations will also be posted a day before the lectures. These are for review purposes only. The overheads provide only a very condensed overview of the material covered in class. They do not constitute adequate notes by themselves, and are **no substitute for regular attendance of lectures**.

7. Schedule of Topics

	Topic
Sept 6	Introductory Overview
Lecture	<ul style="list-style-type: none">• Introduction and course overview• The economic and political context of urban economic development• What is economic development?• Why should urban government do economic development?• The economic development problem• Global economic trends – shaping cities

8. Make-up Examinations

Makeups will be granted with approved documentation only. All documentation for missed exams must be provided the Academic Counselling Office and Instructor within 48 hours of the scheduled exam. For missed exams, you must take your documentation to Academic Counselling within 48 hours of the exam. Otherwise, the instructor will assign a grade of zero. The format and content of make-ups may differ substantially from the scheduled test or examination.

For Western's Policy on Accommodation for Medical Illness and a downloadable SMC please refer to the [Academic Handbook](#).

9. Use of Electronic Devices

No electronic devices will be allowed during tests and examinations.

10. Academic Offences

Scholastic offences are taken seriously and students are directed to read the appropriate policy, specifically, the definition of what constitutes a [Scholastic Offence](#).

All required papers may be subject to submission for textual similarity review to the commercial plagiarism detection software under license to the University for the detection of plagiarism. All papers submitted for such checking will be included as source documents in the reference database for the purpose of detecting plagiarism of papers subsequently submitted to the system. Use of the service is subject to the licensing agreement, currently between The University of Western Ontario and Turnitin.com (<http://www.turnitin.com>).

11. Western's Commitment to Accessibility

The Department of Geography strives at all times to provide accessibility to all faculty, staff, students and visitors in a way that respects the dignity and independence of people with disabilities.

Please contact the course instructor if you require material in an alternate format or if you require any other arrangements to make this course more accessible to you. You may also wish to contact Services for Students with Disabilities (SSD) at 519-661-2147 for any specific question regarding an accommodation. [Information regarding accommodation of exams](#) is available on the Registrar's website.

More information about "[Accessibility at Western](#)" is available.

12. Medical Issues

You can find Western's Policy on Accommodation for Medical Illness and a downloadable Student Medical Certificate (SMC) in the [Academic Handbook](#). Student Services also provides information about the University's policy on [medical accommodation](#).

If you are seeking academic accommodation on medical grounds for a missed test, exam, or assignment you must apply to the Academic Counselling office in your home Faculty and provide documentation. Academic accommodation cannot be granted by the instructor or by the Geography department.

In the event of illness be sure to contact Academic Counselling as soon as possible. Counsellors will determine whether or not accommodation should be requested and will contact instructors about the accommodation. Once a decision about accommodation has been made, the student should contact instructors to determine a new due date for tests, assignments, and exams.

13. Mental Health

If you or someone you know is experiencing distress, there are several resources here at Western to assist you. Please visit Western's [Health and Wellness website](#) for more information on mental health resources.
