

Course Outline – Revision

Course: GEOG 2144B – Geography of Tourism

Instructor: Wes Kinghorn

Revision Date: March 17, 2020

Given the University’s directive to move all Winter 2020 classes online beginning Wednesday, March 18, it is necessary to revise the course outline for the course specified above. The purpose of this document is to communicate these revisions in a clear and concise manner. This document serves as a formal revision to the course outline and any revisions to the grading scheme supersede previously agreed-upon course requirements.

Table 1: Course Schedule*

The only change was to move readings for Classes 11 and 12 to one week (March 23) and eliminating the ‘review’ class on March 30.

The final Quiz (3) was moved to that date (March 30). All content and learning outcomes remain the same.
